Surviving Free

Building a CLEC for the 21st Century

Presented by *VoIP Business Weekly* magazine

Dec. 1-3, 2005

Join industry thought leaders for a discussion of how to exploit new technology, new telecom rules and cheap or free voice alternatives.

Who Should Attend

CLEC execs who want to be in business in five years

What Attendees Will Learn:

- Why new technologies you aren't using today will create a new opportunity
- How regulatory changes have forever changed CLEC opportunities
- How you can monetize new technology
- What you need to know about tomorrow's business models
- Where to look for new revenue
- Why loops don't matter
